# POOL BUYING GROUP

SAVE TIME.  
SAVE MONEY.

The Villages® Pool  
Buying Group can save  
money and time for your  
restaurant by giving you  
the ability to place all of  
your beer, wine and liquor  
orders in one place!

## HOW IT WORKS

- We purchase alcohol in volume through local distributors which gives us better pricing to pass on to you.
- You order your beer, wine and liquor through us all in one day as opposed to ordering and receiving from multiple vendors.
- We deliver on set scheduled days every week, plus our drivers rotate your current stock upon delivery.
- Most deliveries come on the same day.

## THE PERKS

- Competitive prices on beer, wine & spirits
- Set delivery dates
- Less product to store at your restaurant
- High product availability
- Great customer service
- One-time payment (check)
